

A global Force of Good

At TP, we aim to make a positive impact on our communities, the world, and the environment by implementing socially responsible practices, leveraging global presence and cultural diversity.

We are proactive in managing with a purpose using our four key pillars:

Providing a great place
to work

Promoting an inclusive
workplace where everyone
feels valued

Improving lives
around the world

Minimizing our
impact on the planet

Providing a great place to work

Our high-touch approach is to consistently enhance employee experience by providing continuous support and an excellent work environment throughout their careers.
